Message from St Mary's Church

14/01/20 Café sessions resume –
please do tell your friends
Hope to see you there!

A weekly update to Parents, Grandparents and Carers

Message from Mrs. Paterson

Happy New Year!

The children in Rowan and Ash Classes are deep into their exploration of outer space and the paintings they produced in teams this week show that they have already gained quite considerable knowledge.

Oak, Chestnut, Willow and Beech Classes are beginning their work about the Anglo Saxons with tremendous enthusiasm.

The sun has shone, all are delighted to be back after the break, refreshed and ready for work, and all are welcome.

Please find below, the link to next year's term dates

Prioritising safety, we are very conscious of the risk of children with allergies inadvertently coming into contact with food that could trigger a severe reaction. You will be aware from media reports, that serious incidents have occurred elsewhere. Therefore, we urge you to avoid sending any food into school that contains nuts. To keep all our children safe, we will not distribute food in class that has not been prepared by our caterers (who are aware of individual children's allergens). This will not prevent us from cooking in school, as always, with carefully monitored ingredients.

We work within the high standards of health and safety required by the Local Authority, so use of the climbing equipment must be under the supervision of school staff within the school day and **it is not considered safe to be used before or after school or by small siblings.**

Please remember that ball games are not permitted before 8.50am.
